

Dear UCI Community,

The UCI Police Department is offering an in-person presentation on Active Shooter Incidents tailored for faculty, staff, and students. Registration is not required. There will be additional presentations, both virtual and in-person, offered throughout the fall quarter. If you are unable to attend this training but would like to request a presentation for your department or campus organization, please visit our [website](#) for more information.

Date: September 27, 2022

Time: 12 p.m. - 1 p.m.

Location: Student Center - Pacific Ballroom C

Although it is critical we give advance thought on how to respond during an active shooter event, prevention is always the best possible scenario. If you hear or see something that may lead to an active shooter or otherwise violent situation, call or text 9-1-1 immediately.

Please contact Sergeant Dan Henderson (dchender@uci.edu; 949-824-5223) with any questions.

Stay safe,

Liz Griffin
Chief of Police
