Daily Crime & Fire Log – Case "Disposition" Definitions

Case "Disposition"	Definition
"Cleared by Adult Arrest/Juvenile Arrest"	This disposition is used when an officer has made an arrest in a case and no additional follow-up is required. In instances where an arrest has been made and additional follow-up is needed, the case would be assigned to the Detective Unit. A juvenile is any person under the age of 18.
"Cleared by Other Means"	This disposition is used when the identity of the offender is known and there is enough information to support an arrest or charge, but there is some reason outside of the police department's control that precludes arresting, charging, and prosecuting the person. Also, this disposition applies to cases where victims refuse to cooperate if the suspect is known and to cases that are transferred to another jurisdiction for prosecution.
"Closed: All Other"	This disposition is used as an assignment code for cases that do not require any follow-up. This disposition is used to close cases only after assigned officers to the case have completed all casework (missing person, death investigation, CAR reports, Elder Abuse Reports, etc.).
"District Attorney Review"	This disposition is used for cases, typically criminal cases or arrests, that are forwarded to the District Attorney (DA) for consideration of prosecution. The DA review process can take an extended period of time, and the final disposition of a case may change or the case may be dismissed entirely.
"Follow Up Needed"	This disposition is used to denote cases that are active. This dispostion applies when a case requires additional follow-up or requires some action to be taken by the officer or detective. This dispostion is used for both criminal and non-criminal matters (e.g. missing person cases).
"Investigator Review"	This disposition is used when a case is still open and under active investigation with detectives.
"Referred to Student Conduct"	This disposition is used when a case will be sent to the Office of Student Conduct for administrative adjudication. This dispostion applies only when at least one of the individuals involved is affiliated with UCI. This disposition may also be used for cases involving violations of UC Irvine policy that are referred to the UCI Office of Student Conduct. This disposition may also be used for cases that involve violations of federal, state, or municipal laws/local ordinances as well as UCI policy. In this instance, the UCI Police Department will have discretion in determining whether a case is adjudicated at the criminal or administrative level. If an arrest is made, or the case is sent to be adjudicated by the court system, this disposition will not be used.
"Referred to Student Housing"	This disposition is used when a case will be sent to the UCI or American Campus Communities (ACC) Student Housing Conduct Office for administrative adjudication. This dispostion applies only when at least one of the individuals involved is affiliated with UCI. This disposition may also be used for cases involving violations of UC Irvine policy that are referred to the UCI or American Campus Communities (ACC) Student Housing Conduct Office. This disposition may also be used for cases that involve violations of federal, state, or municipal laws/local ordinances as well as UCI policy. In this instance, the UCI Police Department will have discretion in determining whether a case is adjudicated at the criminal or administrative level. If an arrest is made, or the case is sent to be adjudicated by the court system, this disposition will not be used.
"Referred to OEOD"	This disposition is used when a case will be sent to or handled by the Office of Equal Opportunity and Diversity (OEOD) for administrative adjudication. This disposition may also be used for cases involving violations of UC Irvine policy that are referred to the OEOD office.
Unfounded	This disposition is used if a reported crime is investigated by sworn law enforcement personnel and found to be false or baseless.
